Second Announcement

Registration & Abstract submission now open for:

ICEENN 2015 – 10th Anniversary

International Conference on the Environmental Effects of Nanoparticles and Nanomaterials

September 6 to 10, 2015
Vienna, Austria

Organized by
Department of Environmental Geosciences

Main topics of the conference

- A Analysis of nanomaterials
- B Release and transformations including its effects on aging, behavior and fate
- C Toxicology and ecotoxicology
- D Natural colloids and related processes
- E Social and regulatory aspects
- F Innovation and applications of nanotechnology to environmental issues

Invited Speakers

- **Greg Lowry**, Carnegie Mellon University, USA
- **Claus Svendsen**, Centre for Ecology & Hydrology
- **Nathalie Tufenkji**, McGill University, Canada

Important Dates

March 15 th , 2015	Abstract submission opens
May 1 st , 2015	Deadline for abstracts submission (oral & poster)
June 1 st , 2015	Notification of acceptance
June 8 th , 2015	Deadline for Early Bird registration
July 30 th , 2015	Deadline for normal registration

Pre-conference workshop

3rd Workshop on Field-Flow Fractionation – Mass Spectrometry (FFF-MS)

The conference will be preceded by a 2-day workshop (5. and 6. September) dealing with FFF and sp-ICPMS nanoparticle analysis in complex media, including a one-day hands-on training in our laboratories on some of our Field-Flow Fractionation - ICPMS units and our single-particle ICP-MS systems including triple quad ICPMS.

Registration and Abstract Submission – now open! –

You are invited to submit abstracts for oral and poster presentations on any of the themes above. We would particularly encourage presentations on work that is in progress and encourage students to attend and present their work during the conference. See: <http://nanoenvironment2015.univie.ac.at/abstract-submission/>

Scientific committee

Richard Handy, Frank von der Kammer, Jamie Lead, Eva Valsami-Jones, Greg Goss, Stephen Klaine, Thilo Hofmann

Conference series organizers

Frank von der Kammer (University of Vienna), Richard Handy (University of Plymouth), Jamie Lead (University of South Carolina), Eva Valsami-Jones (University of Birmingham), Greg Goss (University of Alberta), Stephen Klaine (Clemson University).

Local organising committee

Thorsten Hüffer, Antonia Praetorius, Stephan Wagner, Andrea Bichler, Robert Brünjes, Sabine Kranzl, Thilo Hofmann - University of Vienna, Department of Environmental Geosciences

Looking forward seeing you in Vienna in September 2015
